EVER FANCIED SHOWING OFF YOUR SKILLS AT THE ENGLAND NATIONAL TEAM'S TRAINING BASE AT ST GEORGE'S PARK?

Playing an inch-perfect pass or hitting a powerful shot on the same, slick surface which graces Wembley Stadium? Lining up alongside a top ex-player or having a former star of the game as your manager?

Well now you can, thanks to the Copa Del Cure Leukaemia, a six-a-side football tournament taking place at St George's Park.

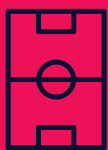

Players can take advantage of the opportunity to live like professionals for a day, featuring in matches on the FIFA-approved 3G pitch and then enjoying an evening dinner with guest speakers at the on-site Hilton Hotel.

As well as the football there will be plenty of additional elements to the event to add to the fun, including footballing legends to be involved on the day. The past few years have seen Matt Le Tissier, Paul Merson, Stiliyan Petrov, Sue Smith, Jamie O'Hara, Adebayo Akinfenwa, Lee Hendrie, Marlon Harewood, Matt Murray and many more all taking part. Confirmed players for 2024 will be announced nearer the event but we will have both new and returning ex-pros on the day.

Johnny Phillips, from Sky Sports' Soccer Saturday will be on the microphone for all the post-match interviews, alongside the likes of Kenzie Benali and Biana Westwood (female host to be confirmed) as well as hosting the evening event.

All the proceeds from the Copa Del Cure Leukaemia will be donated to Cure Leukaemia, and the ongoing battle to eradicate all forms of blood cancer, a disease which has affected many players and their families within football in recent years.

The plan is for up to 20 teams to take part in the event, and the cost of £3,000 per team, based around a squad of ten players, includes a full kit, pre-tournament lunch, a minimum of three matches on a tournament basis, and your table at the evening dinner.

On arrival lunch will be provided for all players.

The tournament will kick off at 1:30pm (tbc).

Players will be able to explore the range of facilities at St George's Park and a team of sports therapists will be available for treatments during the day.

Full branded kit of 11 jerseys, shorts and socks, with your company logo, will be provided for each team and can be kept as souvenirs for each player.

Chance to change in the official 'Sir Billy Wright' England Dressing Room and also the opportunity for a guided tour of the facility.

After the tournament, there will then be a 3-course evening dinner and bar at the venue for all players to celebrate together and hear stories from the ex-players involved. There will be a special guest after dinner speaker, trophy presentation, as well as some of the video highlights & funny moments from the days play.

Sky Sports' Johnny Phillips will conduct interviews throughout the tournament and host the evening dinner.

Various sponsorship packages are also available.
